

Cookie Policy

This Cookie Policy ("Policy") explains how LAS (Local Asbestos Services) uses cookies and similar tracking technologies on our website. By accessing or using our website, you consent to the use of cookies as described in this Policy. If you do not agree with the use of cookies, please adjust your browser settings or refrain from using our website.

What are Cookies?

Cookies are small text files that are placed on your computer or device by websites that you visit. They are widely used to make websites work more efficiently, enhance user experience, and provide website owners with information about how their website is being used.

Types of Cookies We Use

- a. Essential Cookies: These cookies are necessary for the operation of our website and enable you to navigate and use its features. They are usually set in response to actions you take, such as setting your privacy preferences or filling out forms on our website.
- b. Analytical/Performance Cookies: These cookies allow us to analyse how visitors use our website, track website performance, and improve its functionality. They collect anonymous information and help us understand which pages are most popular and how users interact with the website.
- c. Functional Cookies: These cookies enable the website to provide enhanced functionality and personalisation. They may be set by us or third-party providers whose services we have added to our website.
- d. Targeting/Advertising Cookies: These cookies are used to deliver relevant advertisements to you based on your interests. They may also be used to limit the number of times you see an advertisement and measure the effectiveness of advertising campaigns.

Third-Party Cookies

We may allow third-party service providers, such as Google Analytics, to place cookies on our website to assist us in analysing website usage and improving our services. These providers may also use cookies for their own purposes, subject to their own privacy policies.

Your Cookie Choices

Most web browsers automatically accept cookies, but you can usually modify your browser settings to decline cookies or receive a notification when a cookie is being sent. However, please note that disabling cookies may affect the functionality and performance of our website.

Updates to this Policy

We may update this Cookie Policy from time to time to reflect changes in our use of cookies. Any updates will be posted on this page with a revised effective date.

If you have any questions or concerns about our use of cookies, please contact us at at LAS Head office: Unit 25 Salisbury Road, Haydock Industrial Estate, St Helens, Merseyside, WA11 9XG.
